**Something funny.....**

Three boys are in a school yard bragging about their fathers.

The first boy says, "My dad scribbles a few words on a piece of paper, he calls it a poem, and they give him \$25."

The second boy says, "That's nothing my dad scribbles a few words on a piece of paper, he calls it a song, and they give him \$200."

The third boy says, "I got you both beat. My dad scribbles a few words on a piece of paper, he calls it a sermon, and it takes eight men to collect all the money!"

### OCTOBER IS THE MONTH OF THE ROSARY

Bishop Michael McKenna recently wrote in the Catholic Observer: "Of course, the Rosary belongs to every month, but in October the Church celebrates this prayer in a special way:

reminding us of its simple beauty and gentle power. It is a time of grace for us to return to this prayer if we have let it slip away: or perhaps to discover for the first time, in the company of Mary, how the Rosary can guide us into unpretentious prayer".

**Bishop Michael invites you to the Church of the Immaculate Conception, Carcoar to pray the Rosary together, at 3pm on Sunday 7<sup>th</sup> October 2018 to be followed by Afternoon Tea. Please indicate your attendance to Shalom House of Prayer by calling 6367 305, for catering purposes.**

Bishop Michael said, "If you can't be there, please pray a Rosary wherever you are. We'll be united that day all around the world with people asking Mary's intercession for the renewal of our Church and the nations".

### Blessing of Married Couples 7 October 2018

Parishes throughout the Diocese have been encouraged to celebration on this day, acknowledging and supporting the vocation of married people.

**THIS WILL TAKE PLACE IN EACH PARISH OVER THE WEEKEND.**

## IN FOCUS

### You Can Almost Overhear Their Conversation

Dr. Charles Mayo with his father and brother founded the world-famous Mayo Clinic in Rochester, Minnesota. One time a group of European medical experts were guests of Dr. Mayo at his home. According to the custom of their homelands the guests placed their shoes outside their bedroom doors to be polished during the night. Dr. Charles was the last one to retire. As he went to his room he noticed the shoes. It was too late to wake up any of the servants. With a sigh he gathered up all the footwear, hauled them into the kitchen, and spent half the night polishing them.

Someone proposed that John was the greatest. After all, did he not recline on Jesus' bosom when they were at table? Someone else snorted: clearly the greatest was Judas, who held the moneybag and was obviously the most trusted. Someone argued for Peter, far and away the leader of the group. Another

said it was Matthew, because he always took good notice at Jesus' best talks and would one day publish a fine book. What about James, someone else insisted. He is one of the three Jesus always takes aside with him when he prays. The discussion became heated as more

names were asserted, and by the time they got to Capernaum, they were scarcely speaking with one another.

"What are you arguing about on the way?" Nobody answers. So Jesus sets the record straight. The greatest will always be the one you least expect. The last will be first. The servant will be the leader. The one who receives a child, receives the Lord. We can bet that's one conversation they never dared to have again.

### We Respond ...

Live well, live wisely, live humbly, as James tells us. Our lives are always a more compelling witness than our words.

### ... On the Way to Mass

How can you show kindness to other children?

### On the Way Home from Mass ...

Why would the person who wishes to be first be last?  
Why would that person serve others?
