REFLECTION by Diane Bergant CSA

Despite all of the excitement associated with eschatological fulfilment, despite all of the assurance we have that it will be an experience of peace and abundant life, the mystery for which we long requires the risk of faith. Despite all of the times that we have celebrated the Nativity, we still do not have full comprehension and understanding. Still we are invited to enter deeply into the event that is before us. Will we step into a life of deeper faith and commitment, or will we merely participate in the external celebration of the feast? Only we can decide, and only we will really know the decision that we make.

The circumstances of our lives influence the way we live out our faith. As Christians, we are called to devote ourselves to the service of Christ. Our primary commitment must be to Christ and to the way of being human that he has shown us. We must be committed to what enriches life and not to what diminishes it. We must be committed to the good of people and not to the hoarding of things. We may not be official heralds of the gospel, but we proclaim our faith in the way we live our lives, in the kindness with which we treat others, in honesty of our business transactions. We proclaim the gospel when we stand for justice, when we forgive those who have offended us, when we show compassion to those who suffer. As we step into the eschatological age, we are called to recommit ourselves to genuine Christian living.

Christmas 2019

A Message from Bishop Michael McKenna

As I write these words of Christmas greetings, we are still in a time of drought, waiting for rain.

We know all too well the human cost of this, for farmers, families, local enterprises and communities. Faced with this situation, as people of faith we turn to God in honest and sorrowful lamentation.

Turning to God, we remember that Jesus has told us to pray for what we want, and to persevere in that prayer. We do want rain, and plenty of it, so we should keep praying for that. We also need to pray for one another: and in that prayer seek the wisdom to know how best to be of service to those who are suffering the most from this adversity. And, in the midst of our affliction, rejoice in the love of neighbour that is already God's gift.

The long wait for a Messiah ended when Jesus was born in Bethlehem. But, "he was in the world that had come into being through him and the world did not recognise him". (John 1:10)

Am I still waiting for Jesus, or is he still waiting for me to recognise him? I hope you meet him soon and have a truly Happy Christmas.

Bishop's Special Christmas Missionary Appeal

Once again this year, the proceeds of the Bishop's annual Christmas Missionary Appeal will go towards expenses incurred in building St Paul's School, Sanis in the Diocese of Kohima, Nagaland, North-Eastern India.

Bishop McKenna committed to building the much-needed school in 2015 and each year since then the funds from the Bishop's annual appeal has been directed to its construction. This year's collection will allow that project to now to be finalised.

At every Christmas Mass in the Diocese, there will be the opportunity to support the St Paul's School project by giving to the Bishop's special Christmas Missionary Appeal collection. Donations can also be made on-line at: bathurst.catholic.org.au, left at any Parish Office or sent directly to the Bishop at: PO Box 246, Bathurst NSW 2795

Diocesan Drought Support

Most of the region covered by the Bathurst Diocese is severely affected by the ongoing drought. While our communities are strong, they need our support during this difficult time.

Knowing that it will take years for farmers and communities to recover; and that droughts are becoming more common, we need to provide both immediate and long-term help to ensure communities build a level of resilience to ongoing drought conditions. To this end, the Diocese has set up an appeal, which will be managed by Centacare Bathurst. In the immediate future, donations to this appeal will be forwarded to Rural Aid, a well-known charity which already has several drought-relief initiatives underway, including the 'Buy a Bale' project.

Centacare Bathurst has also earmarked \$100,000 of its reserve funds to assist families and communities in their journey to recovery. Centacare will provide ongoing psychosocial assistance and will be with the community for the long haul.

Centacare offices in Dubbo and Bathurst will offer counselling services to those affected by drought, free of cost, and hope to establish a telephone counselling service, considering the costs associated with travel. Centacare can be contacted on **1800 231 118**.

WHOSE JOB?

This is a story about four people named *Everybody*, *Somebody*, *Anybody* and *Nobody*.

There was an important job to be done and Everybody was sure that Somebody would do it. Anybody could have done it, but Nobody did it.

Somebody got angry about that, because it was Everybody's job.

Everybody thought Anybody could do it, but Nobody realised that Everybody wouldn't do it.

It ended up that Everybody blamed Somebody when Nobody did what Anybody could have done!

So if you are Everybody, Somebody, Anybody or Nobody we need your help!

THERE'S A WIDENESS IN GOD'S MERCY

There's a wideness in God's mercy like the wideness of the sea, and forgiveness in his justice sealed for us on Calvary. There is plentiful redemption through the blood that Christ has shed; there is a joy for all the members in the sorrows of the Head.

For the love of God is broader than the measures of our mind; and the heart of the Eternal is the most wonderfully kind. But we make his love too narrow by false limits of our own, and we magnify his strictness with the zeal he will not own.

Restless souls, why do you scatter like a crowd of frightened sheep? Foolish hearts, why do you wander from a love so true and deep? If our love were but more simple we should take him at his word; and our lives would be illumined by the goodness of the Lord.
